Invitation to Submit Draft Resolutions for IUGG2023

(1 February 2022)

IUGG Associations and Member Countries are now invited to submit draft resolutions for the 28th IUGG General Assembly in 2023 ([IUGG2023](#)) to the [IUGG Secretariat](#) by **31 January 2023**. Resolutions should address geophysical matters of significant international impact or matters of significant policy importance for the international geodetic and geophysical community as a whole.

Draft Resolutions should follow the same format as in the past. In broad terms, the format comprises:

- A preamble in the form of “considering”, “recognising”, “acknowledging”, and/or “noting” past events or decisions relevant to the proposed Resolution,
- either “recommends” or “urges” action by, e.g., institutions, governmental bodies, agencies, or a body within the IUGG, and/or
- “resolves” that some specific action or decision follow.

Past IUGG Resolutions can be accessed [here](#).

The Draft Resolutions will be examined by the [Resolution Committee 2022-2023](#), which is chaired by Michael G. Sideris, IUGG President 2015-2019. The Resolutions must be approved by both the IUGG Bureau and the IUGG Executive Committee before being presented and adopted by the IUGG Council at its meeting during IUGG2023. For more information, please contact the [IUGG Secretariat](#) or the [Chair of the Committee](#).
