The *Fellow Selection Committee* is appointed by the IUGG President with an approval of the IUGG Bureau. The Committee consists of six members including an IUGG Bureau Member (ex-officio).

The *Fellow Selection Committee* will consider the nominations and will give a preliminary conclusion on the conformity of the nominees to the established criteria. If needed, the Committee proposes independent reviewers (leading scientists) to review the nominations. The Committee's Chair addresses the proposed experts with a request to review the nominations and to provide his/her opinion on the nominees.

Based on the comments of the independent reviewers, on the nomination and supporting letters, the Committee's members select up to 10 nominees and make a final recommendation (by simple majority of voices). The Committee's Chair sends the list of the recommended persons to the IUGG Secretary General.

The IUGG Bureau makes the final decision on the IUGG Fellows.
